

Deborah Jean Jimmerson

March 7, 1950 - May 14, 2018

Deborah Jean Jimmerson became an Angel on Monday May 14, 2018. She joined her Mother, Step Dad, Brother, Daughter and her Grandsons who were waiting for her.

Debbie was born on March 7, 1950, she was an Amazing Women who loved her Husband and her Children (all 9 of them). She worked hard all of her life and her heart was always in the right place. She knew how to survive this life and she tried to make it a much better place for her children. She was always there for each and every one of them, even if they were not always there for her. She truly had a Mother's heart. One of her passions was her Garden, she found peace and solitude while she knelt down and tilled the soil. The wonder's from her garden she would gladly share with anyone.

Debbie had a love for Animals and she would make sure that each one of her animals were well taken care of.

When it came to loving her children, she always was there to take one of them in when they needed a place to come back to. She would cook for them and make sure that each one of them knew she loved them.

When you were her friend, you were her friend for life, she rarely gave up on anyone, unless it was absolutely necessary to. She always protected her children, but she also knew when to let them find their own way, be it right or wrong, she would allow them to find their own path.

As the years went by and she was blessed with 33 grandchildren, she loved each and every one of them and each grandchild knew that, even if they only spent a brief amount of time with their Grandmother.

She was not only a Mother, a Wife, a Sister, a Friend, she was also a very hard worker. She would work very hard at her place of employment and even sacrifice her own time with her family for her job at times.

She also could laugh and tell stories and you would be spell bound when she was telling you something of the past or something one of the kids or grand kids had done.

Every time she would talk about her kids or her husband or grand kids. Her eyes would twinkle and sparkle and her whole face just lit up and you knew that she loved each and every one of them Oh So much.

Debbie is survived by her husband Wes Jimmerson, her children: John Murillo, Donna Hernandez, Frances Catron, Jay Ortega, Davina Ortega, Corina Northrup, Dorina Harvey, Michael Granillo, Matthew Granillo.

She is also survived by her step son Trevor Jimmerson.

She is also survived by her step brother Mark Urick and her step sister Robin Brittenbach.
