

Drew Dean Latham

November 10, 1990 - July 7, 2018

Drew Dean Latham, 28, of Odessa, Wa passed away at home on Saturday, July 7, 2018. Drew was born in Moses Lake on February 28, 1990. He grew up farming. He enjoyed motorcycles, skiing, snowmobiling and longboarding.

He graduated in 2008 and spent about a year at Big Bend before he decided he wanted to go to dive school. After completing dive school he moved to Louisiana and dove for Global and Aqueous.

In the meantime, he had met the love of his life. Drew and Rebecca met in May 2010. Shortly after starting a family, Bradley Dean Latham. As much as Drew loved diving it didn't work for family life.

Drew, Rebecca and Bradley moved back home and worked on the family farm until moving to Odessa in 2016 and continuing to farm with Weishaar Farms. In 2015, Drew, Rebecca and Bradley added to their family, Ryan Wolf Latham was born June 4.

Drew's family meant the world to him and he was an amazing father. Drew was adventurous and loved life in high gear. (He never understood what second and third gear were for). He was generous and caring to a fault, he had a huge heart. He had several close friends that meant the world to him. And he was fortunate enough to have a brother that was one of his best friends.

Drew Dean Latham is survived by his family, Rebecca, Bradley, and Ryan and preceded in death by his Grandpa Don White.

In Lieu of flowers, Drew would have preferred any contributions go to his boys, Bradley and Ryan's future needs. A basket will be available at the funeral or Ephrata Washington Trust Bank in Rebecca Camacho's Name.

A funeral service will be held at 12 p.m. on Friday, July 13, 2018 at Nicoles Funeral Chapel, 157 C St NW, Ephrata, Wa with graveside service to follow at the Ephrata Cemetery. “ When we first moved to Odessa, Drew was one of the first people to introduce himself to our family, though we didn't communicate much, it didn't stop him from waving and asking how we were each time we saw him. I always saw him either doing projects or playing with the boys, I remember how cool it was watching him surf down the hill on his board with the boys. Funny moment, he was driving a remote control car, it flipped, or maybe it just gave out in front of a passing car, causing the older couple in the car to give us dirty looks, he Hollard down "it waS them" I responded with "of course it was your toy!! I'll take the blame for ya" we all laughed and went about our night.

Although we didn't know him well, we will miss seeing his smiling face on the block.

Praying for the boys and Rebecca. I'm sorry you have to feel this pain.

Our condolences

I got out of jail in winter 2014 and moved back to Moses Lake and had absolutely nothing Drew helped me out by selling me a Jeep he let me make payments on, hooked me up with work to do at the farm and even helped me get a full time job. I saw Drew become the MAN that other men want to be! Thanks for being there Drew.
