“ Many years have gone by since I have seen Gerry. What a beauty! We spent a lot of time together during our school years. She was always fun to be around. I remember when she, April Notaras and I worked very hard practicing for cheerleading tryouts. Alas, we did not win. I still have some pictures of her that pop up every so often. A reminder of our fun times together. Sending condolences to her family.

“ Geraldine has been a part of my conscious awareness from a child; Just enough older than me that we were removed from each other by time and events of life so we didn't get to spend any time with each other, except at family reunions.

But as a child I saw her walking past our home in Soap Lake as a bubbly cheerful teenager; Her photos in the Soap Lake High School 1957 annual shows a beautiful, smiling happy teenager with her two best friends April Notaras and Ella May York.

Marriage, babies, and jobs still separated us thru all the years but I knew her as my role model for family and we had a strong bond because we were cousins. She had such a contagious smile and radiated self confidence; and a warm, caring, and loving way about her that makes me think of her mother and my dads sister, Aunt Ruthie.

One year ago this month we sat by each other at Katie Spurbecks wedding. She sat with a perky little white bling cap for a touch of class; talked about the importance of sticking up for yourself; and to be loving to others. That is my final memory of her and will be remembered every time I hear her name. She was still beautiful, smiling and happy.

She was blessed with children; grandchildren, and great grandchildren and she has left them with many good memories from a grandma who loved them all.

I speak for the entire Odegard family when I say that she was loved and she will be missed. Heart felt condolences to her family. Bonnie Odegard Holt-Morehouse
