

Jaylah Kelly

September 11, 2017 - January 2, 2019

Jaylah Mary Kelly-Chambers was born on September 11th, 2017 and passed away unexpectedly on January 2nd, 2019. Our beloved Jaylah was loved by so many. She was a bright light everywhere she went. People would see her smile and stop by to say hi, with a smile of their own, like they were old friends. Jaylah's bunny was her life-long companion. Jaylah loved her family and her doggies. Jaylah's favorite song was Itsy Bitsy Spider. Jaylah loved folding, but mostly unfolding laundry. Baskets of things were her favorite toys. Jaylah loved to read and had many favorite books. Jaylah always knew how it is. She would stand on top of a set of stairs like a soapbox and tell you how it is, using hand gestures to orate. She was smart, and adventurous; brave and fearless. Jaylah had the joy of spending her first Christmas in Colorado with her brother and sisters and mom and dad. Most of all, Jaylah enjoyed spending time at home, learning and exploring, hanging out with her brothers and her doggies, loving and being loved. She is survived by her dad and mom, Josh and Jane Chambers, her brothers, Jake and Jonah, her "nana" Mary, her family in Montana, her family in Colorado. God bless you, Jaylah. You will remain forever in our hearts.

A memorial service will take place to celebrate Jaylah's life on Saturday, January 19th at 1:30 PM at the Ephrata Foursquare Church, in Ephrata, WA. Reception to follow

“ Jaylah- I only met you once, your 'new parents' had to evacuate their home last summer due to fire and they brought you and 2 other kids and a whole pack of dogs to my house in the dark of night. I LOVED being able to provide shelter for a friend and her family- we met because Jane started buying eggs from me! I know a little bit of your story and your loss here on earth is heartbreaking. You only got to spend a fraction of time with Jane and her family and they LOVED you ever so much. You would have had an awesome childhood, they are really smart people and definitely witty (probably why we got along so well!). You and I also share a common thread in that we are both Native American- many of my tribe thought of you and prayed for you in our way the day you left. And someday, we will get to see you again, in the light of a heaven's day. Until that time, you are loved and you are missed.

“ I didn't ever meet this beautiful little angel but I know her "nana" Mary...so I can understand the loss that Jaylah's family and friends are feeling at this sad time. My heart goes out to all of you. Take comfort in knowing that Jaylah is now in the arms of God.

Sincerely,
Frances Houghton
