“ Yo bro, f-- i miss you a lot lately dude! It takes everything to hold back the tears! It still doesnt seem real, that your truly gone! I miss and love you Jon! You were one of a kind man, so smart, kind, loyal. You were one of the few people i could talk to and could trust with everything! You were one of the only true friends i had! IDC what anyone says WE ARE BROTHERS! You always had my back and i could count on you to be there for whatever, WHENEVER i needed you, thats rare to find in someone these day's!!! We left off on not the best terms, and it f--ing hurts lil homie, it literally is killing me inside that that is the last words we had with each other! Im so sorry Jon. I think about you everyday, idk wtf the reason is for having you ripped away from all of us so young!? But GOD must have had his reasons, he needed you for something so i guess I'll just have to wait to see you again! I know i will, its jus hard to stay positive with this pain thats inside of me! I know your with me and around me often, i feel you from time to time, watching over me, protecting me, just like your doing for the rest of your family! Im sorry i failed and made you feel like you couldn't talk to me, that was never my intentions and now I have to live with that on my conscience forever. I miss you little bro, im lucky enough to have had you in my life for a short time, i keep replaying the memories we had together, ill forever keep THEM close to my heart! Save me a spot up there with you okk pimpin! Until we finally meet again Rest in paradise my friend, i hope the pain is gone, and you are at peace! I love you Jon "Joonbugg" Stockton!!!!!!

“ It was an honor to have gotten to know Johnathan. I worked with him at Walmart and enjoyed sitting in the breakroom at lunch time visiting and laughing. Everytime he walked into a room it brightened up. He was always a good sport whether it was dressing him up for Halloween or making him wear a "naughty list" teeshirt for Christmas.

I'm so sorry for your loss. Your family and Johnathan are in my prayers.
