“ I am privileged to have been a sister in Christ and friend of Vernel's. A favorite memory is of sitting in the church nursery with her in 1979. This one February Sunday she counseled me to take my daughter Abigail to the hospital after church and sure enough she had pneumonia. Now Abigail is expecting her second child and I know Vernel would feel connected to that ongoing gift of life. I miss visiting her at the farm and look forward to visiting again one day in heaven.

“ We're terribly sorry to hear that Vernel is gone home. We think a lot of her. Her love of the Lord was an example to us.. Our children played/ schooled together and went to church together. I and my husband were Sunday school teachers and Christ Seekers leaders in our church and worked with her on many things. She wasn't afraid of work! We marveled at all she did! We know she's with out Lord! We wish you all peace and comfort..laugh at all the times you had together! God Bless..Don and Carolyn Anderson.
