

Allen Justin Stocker

June 3, 1984 - December 12, 2022

Allen Justin Stocker, beloved son, grandson, nephew, cousin, and true friend died on December 11th, 2022, at the age of 38. He is survived by his mother Darla, his father Allen and his loyal maltese Penny-pup.

Those who knew him knew of his big heart, his kind soul and his strong commitment to his friends and family. Allen may have been born an only child but in truth he was a cherished brother to so many.

Allen grew up in Ephrata, Washington and spent many summers on his grandparents farm in Snohomish. He worked hard, learning what needed to be done from sunrise to long after dark on that farm with his grandfather Edwin. He would later transfer that dedicated work ethic to his future endeavors.

What brought him the most joy was getting outside camping, fishing, hunting and playing all the sports with the people he cared about most. He always had a fun assortment of goats, ducks, and chickens around, spending so much time on a farm taught him to respect and care for all animals.

“ *I just found out you passed away Little Allen. I am still in shock. Although I hadn't seen you since like 1994, I always fondly remember you and Jake running around at the stand (Stocker's Produce)... 8 years old but driving the Kubota around as if it were hot wheels. I remember you with your dad, Big Allen, I remember how much life you had in you. This is such devastating news. Now you're up there with your Grandpa Ed and he's probably yelling at you for something, like he always did when we were kids. We all knew it was because he cared-especially about you. You were so loving and kind and the world lost a great person when you passed. Rest in peace Little Allen... Gone, but never forgotten.*
