“ Yes he will be missed by me and Baby our dog. It's been a tough month with the big dog , but lots of love and keeping him busy it's getting easier. It's still a shock that he's gone. Gonna miss the "what's this" game. He was good at identifying weird items only I could come up with. And there have been some strange and odd tools over the past 10 years. Rest in peace Andy and I hope Heaven is as good as we all think. Time to catch up on that fishing that you bragged about. Maybe I'll join you one day and you can show me the tricks up there for that monster fish. Some day but not today. Bye Andy. Big dog says " Love ya and miss you dad". 😞
