“ I just wanted to thank the family for their generous donations to the poor of our neighborhood, your donations mean a great deal and helped at least 3 people stay out of the rain this week. Please use the dumpster more often!

“ She was such a lovely lady and a "professional" in every way, with high standards and great joy and enthusiasm in all she did. Ann had so many talents, which were shared in so many ways with her community of friends, neighbors, clients, and colleagues. We were all lucky to have known and worked with her! With great sadness, Carola Shepard
