“ To Curtis' Family,

All of us at Columbia Basin Cancer Foundation were so very sorry to hear that Curtis has passed away.....I visited with him at the office here a couple of times, and then talked with him many times on the phone. He fought his battle with so much courage and determination, and somehow always managed to keep a cheerful attitude.....he was truly an inspiration to us all! I know you will all miss him very much! We are keeping you in our thoughts and prayers at this difficult time.....
