“ *Dannette was my closest friend in Kennydale. She was a gentle, cautious person with the warmest caring smile around. We would sit at the beach and solve the world problems that the thick and thins of 1960's and 1970's offered us. My mother helped Dannette and Jim elope all the while scolding them but also wishing them luck. Sadly, we lost touch in the last years but memories of her are forever in my heart. Condolences to the family.*

“ *My mom was loving person. She loved all of her grandchildren. When she lived in Enuclaw WA. she volunteered at a hospital were babies were born addicted to drugs. She loved babies. The ocean was her favorite place to go. Miss you mom and I love you.*
