“ *For Heather and All of Debra's Family,*

All of us at Columbia Basin Cancer Foundation were so very sorry to hear that Debra has passed away.....She fought her battle with such courage and determination....she truly was such an inspiration to us all! I visited with her a few times in the office, but mostly by phone, and she was always cheerful, optimistic, and never complained. I know you will all miss her very much, and I will miss the visits I had with her. I hope it is some comfort to you that now she is at peace, and doesn't have to struggle or suffer anymore. We are keeping you in our thoughts and prayers!
