“ I grew up in Chelan and got to know Dian through my Uncle John and Aunt Maude Dietrich when she visited them. It was so fun to discover she lived in Ephrata and we always enjoyed a good visit when we ran into each other several times a year. I will miss her sunny smile. I send my regrets in not being able to attend her service. We are flying to California with our grandson in the morning or else I would have been there. Blessings and may God bless each of you. “ Dian was a good friend to my mother for many years and we will miss her so. I remember her upbeat spirit and her ability to make ones smile. She has a beautiful hope ahead of her of living peacefully on earth in paradise, surrounded by friends and family. Revelation 21:3,4 & John 5:28, 29.

“ I am so very sorry for your loss. I was good friends with Bessie and because of that knew Dian to just stop and say Hi to in the store. She was so bubbly and friendly. I had no idea she had been sick. I will miss running into her everywhere. May God give all of her family peace. She is now with her Mom.
