“ Dolly and my mother worked together and shared the same birthday and year, She was a beautiful lady with style and a smile and laugh that would lite up the room. Although we've lost a beautiful soul, we are blessed with the love they gave us and the hope they inspired. Forever remembered, forever loved. Deepest sympathies.

“ I have known Dolly for many years. I worked with her at the PUD for many years and have known the family for a very long time. My Mother and Dolly shared the same Birthday so I never forgot her special day. Her love for her family will never go away. She will be dearly missed by all that knew and loved her. I am thinking about all of you at this very hard time.
