“ *Uncle Don was a favorite Uncle. I would like to think that he is in heaven with Mom and Dad and that they are singing together like that had in the past. He always had a warm smile and I will always appreciate the times that he taught me how to play base guitar and how to follow along with him in a song. Love you Auntie Marilyn and family as you pass through this difficult time.*

“ Don was a true country gentleman. He was always happy to see you and always welcomed you into his home. He was a rare breed that actually would thank you for stopping by to visit for a minute or to hang out and watch an old western on the TV. Thank you Don. You made my life better. My Dad will miss his right hand man on rhythm guitar and vocals. You can sing with the angels now. I love ya man,

“ One of my favorite memories of grandpa is going to his home and playing in his garage while his band and him played music.... there was this little slot machine I would sit at his bar and play for hours! Just being in grandpa's presence was heart warming. He is a very loving man and everyone enjoyed being around him! He was always happy! I love you grandpa!

“ *our country gentleman will indeed be missed,,,I knew him as a musician, a kind and considerate man, always smiling, encouraging, and he and his Marilyn have welcomed so many friends to their camps, and jams. It is good to know that those who believe in Jesus have the comfort of knowing we will see him again one day, in Heaven, where there will be no more dying, or pain. Until that day,,,,,,,,,,,,,love to his family, and prayers*
