Our dear sweet sister Dorothy, may God's love shine on you in heaven as your love shined on us growing up. "Peace Keeper" of the brood, all nine of us. Your gentle nature and beautiful smile was always a comfort to each of us. You were third oldest of the six girls. You gave us younger ones much to count on when we had a rough patch to get through and a good friend to the three older girls, a secret keeper you were. You had the gentlest spirit of all and how you loved to laugh. So many fond memories we all shared with you. Each of us has our special ones, but you were special to all of us. How we are going to ache with your passing. As we have grown older, time has pulled us apart. No longer days and nights together, relying on one another for comfort and shelter for our hearts. You are the second of us to leave this earth, following big brother Ray. He left to the Marines at fifteen so not so much a part of our everyday lives, but you were always a part of ours. You will always be a part of our memories and we shall remember you with smiles on our faces, and an ache in our hearts. Family and love for each other is everything. Rest in peace dear sister, we are all going to miss you very much.

Dorothy leaves behind numerous, nieces, nephews, cousins and many, many friends. After having retired to Coulee City she met her very dear friend, Marianne Bechtol who was always able to make her laugh and took her on many adventures. Thank you Marianne!

Dorothy was preceded in death by her parents, Leo & Ruby VanNatta, brother Ray VanNatta and son Michael Compton.

She was a sweet, kind and loving person who loved the Lord with all of her heart. Beloved wife, mother, grandmother, great-grandmother, sister and

friend, she will be missed beyond measure and will forever hold a very special place in our hearts.

“ *I am so very sorry for your loss. I worked with Dorothy at Providence Hospital. We had some great times together. I met all of her children and some of her sisters. We got together a few years back for lunch when she was in Everett. That was the last time I saw her and wish we would have kept in better contact with each other. We did keep in contact a few times on the phone. I was thinking about her last month and wish I would have called. May she RIP. Love you Dorothy.*
