“ Eddie was a close friend, and one of the most caring people I have ever met. I remember almost everyday of the week spending with you on the farm while you worked your long hour shifts on the farm. You always knew how to put a smile on my face, and wherever we ended up going you always knew how to make it a journey worth never forgetting. I have years of memories with you, and they they will never be forgotten. I miss you so much Eddie, you will be remembered everyday, rest in peace Eddie Hubbard. <3

“ Eddie! I remember working at a local coffee shop The Coffee Lodge. You and Josh Krausee coming on your lunch breaks (sometimes not just lunch breaks) to come and have your 32oz blended candy frappeès you always loved! We had great laughs and great memories! I will always remember your beautiful smile! Your eyes always sparkled so bright! You had a great heart! May you dance with your angels and rest peacefully!

“ *This has got to be the hardest thing I have ever had to deal with. I didn't want to believe it when I heard it, but I keep trying to tell myself everything happens for a reason God obviously has bigger and better things for you up there. You and McKenna are together again and we all know that's what you wanted. I miss you Freddie Cupboard. Life won't be the same without you. I want to thank you for our great adventures the 4 of us had a great couple summers. I still remember the night you bought your 300, and you came to my house so pumped and we took it out, and I about peed myself. These are the memories I always want to remember. You smiling. Love you Eddie. Rest in Paradise.*

“ Eddie you and Kenna were perfect for each other. It took me a while to see that but when I really looked I saw how happy you both were. Eddie you are known as a hard worker, lover of dogs, gym enthusiast, someone who enjoyed going to rodeo. Your family was also a big part of your life and who you are were and became. We are all mourning your loss. You are loved and missed.

In our loving memory

Monica, Tim, and family. Let me begin with saying I enjoyed having Eddie as a student. He was a character but one could not help but love him. I know words cannot measure loss but I believe there is a little piece of Eddie in all of us who had the pleasure to know him. May God provide you grace and comfort you during this time.
