“ *Elena was a wonderful person. I don't think iever saw her without a smile. She did a dinner for our Fire Dept one time. The food was awesome and she was a perfect hostess. To her family I am sorry for your loss. She was a wonderful woman.*

She was extremely judgmental and ruined a friend's business just because, as Elena said, she "turned gay" which is impossible. She said she was going to tell everyone to stop supporting this woman who was already going through so much pain, bein kept in the closet for so long. I only hope what the Bible says is true about judging others.
