“ I knew Alex since elementary school and he was always interesting and very bright and always up to something. He has a great sense of humor and an even bigger heart

“ I knew him my whole life. He went to my church and he was always fun to be around. His parents always had the youth group out to their house for game nights. RIP Alex. You were a candle in the wind sometimes but made life look easy. I always thought you were one of the coolest guys I ever knew.

“ I am sorry to hear of Alex's passing. I went to school with Alex (class of '70) and will always remember him as being a real "scrapper", never one to back down and always standing his ground. The last time I saw Alex was at our 20th class reunion, summer of '90 where there was a gathering at one of the local taverns. Alex didn't recognize me until he saw my name tag and high school picture and was giving my husband a hard time probably because of his long hair! I remember him being on the wrestling team, he was dedicated. I often wondered what became of Alex.. career, children, family, still in Ephrata/Soap Lake? My sincere sympathy to family and close friends. However Alex left this earth, I am positive he did not leave without a good fight! May he rest in peace.

Sincerely,
Sandy Lolos Lee

We had more than our share of beers together! He was always trying to get me to go on circuit with him to become a bull rider like he was! Rest in peace my friend ! 😞
