

Francis William Hinkey

October 24, 1928 - February 16, 2024

Francis William Hinkey, 95, passed away Friday, February 16, 2024. Better known as Dad, Grandpa, Great Grandpa. Life was just a big adventure to him. He lived and worked in many different states, owned many of his own businesses and was a Korean War Veteran. He helped so many of his family and was always there when you needed him. He brought much love and happiness to all of us, as we did to him.

One thing I can say is that you never let him barbecue unless you wanted raw or burnt meat. We will all miss him, he left a hole in our hearts, but now we have to say goodbye forever.

“ *From the many stories of how he grew up, the people he would meet along the way and the flea markets he sold items at across the country, I truly enjoyed being able to sit and visit with Francis over the years. My condolences to his family.*
