

Gary Carl Bewick

September 20, 1955 - March 20, 2015

Gary Carl Bewick, age 59 of Ephrata, WA, died March 20th, 2015 in his home surrounded and supported by family. He fought an aggressive cancer since the summer of 2014. He is survived by his brothers David, Ike, and Paul Bewick with their respective wives Jenny, Marla, and Pam, his nephew and godson Jason Bewick, nephews Glenn Bewick, Robert Bewick, Joey Lakoduk, nieces Brandi Bewick, Carisa Haven, Audra Hess, and Miranda Lakoduk. Predeceased by his father Glen Bewick, mother Helen Booher, and stepfather Bill Booher.

Gary was born in Wenatchee, WA, September 20th, 1955 the third son of Glen and Helen Bewick's four boys. He grew up in East Wenatchee and graduated high school there in 1974. He was known for his smile and charm. He had a talent for photography and a knack for technical things.

He moved to Bakersfield, CA to follow a career at Time Warner as a quality control technician. In 1992, he survived a serious brain disease. As a result, he retired early and returned to Washington.

Gary was the quintessential uncle. He was loving and caring, obnoxious and jibbing. He kept favorite beverages for friends and family cold in his fridge. He was always willing to help anyway he could. Those who loved him will sorely miss him.

2 Corinthians 4:16-18

16 Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. 17 For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. 18 So we fix our eyes not on what is seen, but on what is unseen. For what is seen is temporary, but what is unseen is eternal.

“ Gary was similar to a brother to me. I hired him in Wenatchee and then in Bakersfield. In the long run, Gary worked for me for around 25 years. Through those years Gary and I became very close. Even when he moved back to Washington we remained in touch until a month or so ago. For those that were on his email list you must remember his odd sense of humor with email jokes. He loved them, but I have to admit I mostly got a kick out of most of them by just knowing that they made Gary laugh. He had the most interesting sense of humor, but always with passion and kindness. He certainly made his mark with me and I know with so many other people.

Gary can not be replaced and no one would want to. A truly one of a kind, great guy. He will be sorely missed.

“ I knew Gary through my parents. He went to high school with my mom Diane and moved to Bakersfield shortly after we did. As a child he was a huge part of my life. I always called him Uncle Gary because he was close enough to be that. I have many memories of him whether he was babysitting me, taking me fishing with him, camping or just spending the weekends with us as he often did. He always carried a little Playmate cooler with him and to this day when I see one I'm reminded of him. He was the sweetest, most kind hearted and of course goofy guy I've ever known. I can still hear his laugh :-) I'll miss you Uncle Gary. Keep fishin' love you.
Natalie.

“ God be with you Gary,
I remember Gary most from high school and recent years following school. He was always the life of the party, obnoxious but a fun loving person. He was always one of my wife's favorite people to have around as well as mine. I have not been in touch with Gary for many years. Was hoping to see Gary at our 40th class reunion last September and when we spoke about some of the classmates that were not there, someone mentioned that Gary was not well. I did not know where he lived at the time.
We all need to remember how short life on this earth really is as i lost my wife, Sandy in August of 2014 from cancer also. So i know how hard this must be for Gary's family. I remember his brothers Dave and Ike from Moses Lake and Wenatchee.
Now he and Sandy can meet once again in heaven, they are certainly having more fun than we are here. Someday we can all meet once again.
God bless,
Scott Oakes
