

Glenda Jean King

May 22, 1958 - February 6, 2026

Glenda Jean King, 67, of Quincy went to be with her Lord and Savior on February 6, 2026.

Glenda was born May 22, 1958 in Wenatchee, Washington, the oldest child of Dwight and Marjorie Royer. She grew up in Quincy, Washington, left to attend Seattle Pacific University, and returned soon after graduation to marry Dennis, the love of her life. Dennis and Glenda were married June 12, 1982 at the Quincy Free Methodist Church.

Glenda worked as an elementary school teacher until the birth of her son Alex. She then spent many years filling the roles of wife, Mom, Grandma, and Sunday school teacher while also working at times in the family furniture store or in part time teaching roles.

Glenda loved her Lord, her friends and family, and anyone who was brought into her life, both deeply and fully. She enjoyed baking, cheering on her family members in sports, travelling with her family, and she loved being Grandma.

Glenda and Dennis leaned heavily on God and on each other through her many health trials. Her life is a testament on how to live, to love, and to be strong and courageous.

Glenda is survived by Dennis, her husband of 44 years, and her children Alex and Kelcey King, and Samantha and Gabe Porter. She is also survived by her mother, Marjorie Royer, brother, Mike (Debbie) Royer, sister, Patty Royer, sister, Sherri (Paul) Elsey, and her grandchildren: Judah Porter, Hazel Porter, and Lainey King.

She is preceded in death by her loving father Dwight Royer, and other treasured family members.

A celebration of life service will be held at 2:00 pm on Tuesday, February 17, 2026, at the Free Methodist Church, Quincy, WA.

“ *Early January was the last time I saw Glenda...after her surgery. She was more concerned about me than herself, and, as always, she poured some joy and love into my soul. What a beauty she was! I'll miss her.*

“ *I'll never forget Glenda & Sue Huxtable taking Me & Allison, Sue's Sister, to the Masonic Temple and telling Us We were Adopted & Our Families didn't want Us anymore. I was about 5-6 years old. We Laughed about it afterwards. Love You Sweet Sister!*
