

Heather Marie Hein

January 18, 1983 - October 15, 2023

I wanted to take this time and say how grateful I am for the outpouring of love for Heather. I am humbled by the support that everyone has shown myself, our four kids and extended family. Please know we have felt your love and generosity. As you know, Heather left us way too soon. She was and always will be my best friend. It has been extremely tough to process all that comes with such a sudden loss. Through the love and care you have shown I know we are not alone in this.

I also want to take this time to let you all know that we have decided to have a celebration of Heather's life this coming spring at our home in the backyard. Our wonderful kids and I know she would've loved this and it will help in honoring her. We will get the details out to you when the time gets closer. Thank you again for the care and love you all have shown for her and our family.

Thank you,
Darrin Hein
