“ *I am so sorry for the Rhoads. I just read this that Helen had past away. I was very fortunate to meet both her and Cliff. They were members of my Church years ago when I was growing up. I will forever keep your family in my prayers. At least we are taught we will see her again.*

“ *I remember when Great Aunt Helen lived here in NWA. My mom and I would go over and help her clean her apartment and we would take things that my kids had drawn or colored over to her. She would immediately put them up on her refrigerator. I miss you, Aunt Helen, and love you very much!*

“ Grandma's skin was always "kiss my face" soft. As long as I can remember she has been wearing the brand. As a child, I use to sneak a little sample. This will always remind me of her.
