

James W Allen

October 24, 1947 - January 26, 2023

James W. Allen picked his wings on January 26, 2023 and joined his family and friends that went before him. Jim was born October, 24, 1947 in Sturgeon Bay, Wisconsin to Robin W. Allen and Lucille Kimball Allen joining three brothers and 4 sisters. All went ahead to await baby brother one more time. In 1965 Jim joined the Air Force. While stationed at Fairchild AFB, Wa. He met his wife Patsy Martin. They married May 20, 1967 in Enterprise, Oregon her home town. They welcomed their first son at Fairchild. Once Jim was discharged the family went back to his home town of Fond du Lac, Wis. They welcomed son number two and only daughter while living there. In 1975 they moved to Spokane, Wa and lived there for 17 years until Jim went to work for the Army Corp of Engineers as a hydro power plant mechanic. He worked for them for 20 years retiring in 2009. While working for them he volunteered to go to Iraq and also Afghanistan to support our troops by building housing and administration buildings. Did two tours in each country and the main thing he wanted people to know was it was not like the media wanted you to believe. He was proud of that time in his life.

He was also very proud of his children, Don (Andrea) Allen, Jim(Michelle) Allen and Nicole(Jon) Wolf. Then came grand children that he spoiled whenever he could and they became adults that gave him great grand children and the spoiling increased. Along the way he touched many young lives in a positive way. Our home was a safe place or just a hangout. He is survived by his wife of 55 years. Children and their children as well as

nephews, nieces, and friend all over the world.

There will be a get together in late spring. Tentative date is May 20, 2023 as that would have been anniversary 56. It will be at the family home in Ephrata Wa.

“ *Very sorry to hear about James. It is so difficult to have a loved one pass on ahead, but we too will also do the same soon. May we all be ready, by the grace of our Lord Jesus that tells us in Romans 10:9-10 and John 3:16 that we can have eternal life after this life that we now live. May our God give you a special peace and great hope at this time.*
