“ Love you McCall family!! My condolences to you all!! I would like to share my favorite memory of Joe!! Among the many!! Our family took a trip to Oregon to visit the family!! Us girls were setting up a tent to sleep in and Joe kept bugging us,so I hauled off and smacked him and gave him a bloody nose!! He begged ME not to tell cause he thought he would be in trouble for letting a girl beat him up!! He was a very kind soul and almost like a brother growing up!! Sometimes it felt like we were one big family with two moms and two dads!! And lots of siblings!! Fair winds and following seas!! RIP brother!!
