“ *Jennifer made the best homemade pizza. She worked and worked until the recipe for the dough and sauce was just right. I still use her recipe! I miss the recipes that she would share.*

“ I am so sad! I will miss the familiar start of all our conversations .... "Basin Florist"... "Hi Jenn - this is Susy Anderson - can I get you to deliver some flowers for me?" She was such a lovely woman - so friendly and always with a smile even when you could see that she was hurting. Her flowers brightened many of my family and friend's tables. I will really miss her.
