“ *The first day of school when we met, a girl was bullying me because she didn't like who my mom was. Jessica M didn't even know me and stuck up for me, and that girl left me alone. we were best friends ever since. I love her soo much, she is my sister as much as she possibly could be. I'll miss her so much.*

“ *It's so weird seeing your name under obituaries. I would have never thought I'd lose you so soon. I don't want you to go Jess this hurts so much. I've lost my grandpa and cousin in the past & it hurt so much but this is a different hurt I can't explain how much it hurts to lose a friend. I will never forget the last time I seen you in the hospital you softly said "Hold my hand... I love you Kellie" I have to share one of my favorite memories with you which we laughed about days before you passed...When your aunt borrowed yours moms car and she put it in reverse and hit the gas instead of the brake when she backed up..She ended up getting high centered on a curb..We laughed so hard I'm sure we tinkled a bit lol :) I love you Jess..*
