“ Your father was a father to me ever since I was born. and my heart goes out to you all. theres nothing in this life that can take away the pain of losing your fathers life or a mother. you only get 1 father and mother and I cherish them deeply. and although being a ward of the state and growing up lied to about my family or being took from my loved ones it is very much a pain full of despair that leaves it unbearable to want to feel. may yo all know your in my prayers.
