

Karen Ann Shea

June 23, 1957 - October 10, 2018

Karen Ann Shea, 61, peacefully lost her battle with cancer on October 10th, 2018 surrounded by her loved ones. She was born in Maryland on June 23, 1957 but was raised in southern California. Anybody who knew Karen knew that she was very proud to be a Cali girl! Around 1975 she met her love Andrew Markwell and had two children, Michael and Justin (Mesha). After Andrew's passing, she met Rick Seibold with whom she had two more children, Karla (Michael) and Rick (Karen). Karen was such a proud mother but was even more proud of her grandchildren. She is survived by her 4 children, 11 grandchildren and 1 great grandchild. She was so happy to be a great grandmother. Karen was a hard worker, often working three and four jobs – her most special being that of a school bus driver. She loved her “kids”. As the years passed, she developed health problems which she interpreted as a sign to go to school. In December 2010 she earned her high school diploma and associates degree from Big Bend Community College. Her kids and grandchildren meant the world to her, but we know she is no longer suffering. In lieu of flowers, donations can be made in her honor to Positive Life Radio. Her memorial service will be Saturday, November 3rd at 1 PM at the Coulee City Assembly of God church.

“ *Karen was a wonderful friend, mom and grandma. We had so many great times and tons of fun during our many years as friends and co-workers. I will forever be grateful for her kindness, love and friendship. Her pain is over, her soul is free and the love she gave is alive and thriving in the hearts of her family. Rest in peace Karen you earned it!! Love always Marilyn Correll*
