“ I miss you so much my dear neighbor! Your smile and laughter can never be replaced. I remember how we first met... you stopped by one day and asked if we turned you in for Ruby barking all night... I hung my head and said "yes, ma'am" ~ you smiled and said "well, I guess that's one way to meet the new neighbors!" and we kindled a friendship, which I will always treasure, from that day on! I will remember all our coffee talks in your kitchen ~ sharing stories of our lives. I will remember helping you with the horses and donkeys, being there for each other, your sweet encouragement as we were dealing with our house fire, helping us in any way you could without expecting anything in return. You taught me so much. You had such a beautiful soul, a gentle but firm spirit and a sense of humor that would have you and my hubby laughing those big belly laughs trying to compete with each other to see who could get the last zing! We miss you so much ~ may you rest in peace with no more pain. I can't wait until I see you again 😊

“ Kathy was a warm, caring and wonderful woman, who I had the pleasure to both work with in the community, and more importantly, call my friend. She always had a smile and was willing to help whenever needed! Those who knew her were blessed! My sincere sympathy to her family.
