

Katy Marie Larsen

July 17, 1984 - April 30, 2021

Katy Marie Larsen, 36, passed away Friday, April 30, 2021. She was born July 17, 1984 in Moses Lake, WA. to Dave and Debbie Larsen. Katy attended school in the Ephrata and Soap Lake School District where she made many friends. She excelled in basketball and golf during her high school years and continued playing both throughout her life. She graduated from Smokiam Alternative High School in Soap Lake, WA in 2003.

She was an exceptional cook having worked in the food service industry for over 15 years. She started out at the Moses Lake Country club working for Chef Sameh for several years and then again with him at Vashon Island Country Club. After Vashon, Katy moved back to Ephrata where she worked at several local establishments cooking up delicious renowned meals. Katy had a huge heart and if she was a friend of yours there wasn't anything she wouldn't do for you. Her sense of humor was incredible, a person could not be near her without laughing at some quick-witted words from Katy. She had a joke or wisecrack ready for any situation. She loved animals and her dog Buster was her constant companion. Anywhere Katy was, Buster was not far behind. Katy is survived by her father Dave Larsen of Ephrata; sisters Shannon (Roman) Rodriguez (Emily, Austin, Grace, Faith) of Ephrata, Kristy (Bailey) Rediger (Kasen, Norah, Rowen) of Ephrata, Sarah Larsen (MacKenzie, Peyton, Ryker) of Ephrata; brother Cody Cole (Aria) of Cape Coral Florida; her stepsons Trentyn and Corbyn; her step-daughter Zoey; and all who loved her dearly. She was preceded in death by her mother Debbie

Cole; maternal grandparents Larry & Mary Hansen of Ephrata; paternal grandparents Eric & Eunice Lundy of Omak, WA.

A Celebration of Life for Katy will be held at The Wit at Lakeview Golf & Country Club in Soap Lake on Friday, May 7, 2021 at 2:00pm. In lieu of flowers or gifts, please consider donating to The American Foundation for Suicide Prevention at afsp.org/donate-to-afsp in Katy's honor

“ Back in high-school Katy and I would always tease each other about name spellings. She would always tell me that I spell my name wrong and then chuckle afterwards. So of course I had to make it a point that she is actually the one who spells her name wrong. Even though we grew apart after we graduated, Katy always had that beautiful smile whenever I ran into her. To Katy's family and friends (whether close or not) I'm so sorry for your loss.

“ Oh katy Kat, how I love you so. I will truly and honestly miss you. You were one of my best and truest friends. I remember I would always randomly come over and we would have nap dates! We wouldn't ever sleep, but maybe a few times. We laid in bed and randomly text people pranking them together! Haha there was one time I came over and we stayed up most of the night. We listened to music and we laughed in your apartment. You let me bring in a stray cat that night. Honey wanted to play with the cat, but the cat wasn't having it. We tried to feed that homeless little kitty top ramen! Your words were, " well genn, you can lead a cat to ramen, but you can't make it eat it!" Haha we laughed so hard I'm pretty sure I peed myself and you made fun of me for it!! So many great and amazing memories I am thankful to have had. Too young you were katy... too damn young. I'll always love you the same.

I know katy will never get the chance to read this, but she is still here. She is forever in my heart. She knew I loved her a lot and she made me feel her love right back. As I'm sure she made us all feel pretty loved. She was infectious like that. I have no words for the life we all lost... it is strange to me that I'll never hear her laugh again or see her smile. To her family, thank you all for sharing such an amazing human with the rest of us. I will miss her greatly... my heart goes out to all of you.

Love Gennie.
