“ I would like to express my most heartfelt condolences to Kimberly's family, especially Jessika and Kim's mom and dad. I met Kim when we both worked at John's foods in Soap Lake and from the moment we met we just clicked. I knew we would work well together and become friends. We shared many similar interests and knowing her has made my life richer. I am very sad that we had lost touch in recent years and wish I could have been there for her during her time of need. Jessika, your mom was so very proud of you. When we worked at John's, Kim always told me what you were doing with genuine love and pride in her eyes. She loved you so dearly. Thanks for letting me share.

“ I have known Kim my whole life, we grew up together and were neighbors. We had so many good times and I always loved her laugh, it was so genuine and her laugh made me laugh! We had so many good times together, all the kids on the block (and there were a lot of them) always had so much fun but at times we would fight like brothers and sisters! One of the last times I saw Kim was in a medical facility, she thanked me for being there and said she loved our friendship, she was a very special person and friend. I will miss her so very much but cherish the memories and photos I have of the two of us while growing up. Rest In Peace my dear friend, no more pain or suffering. You are free, keep on laughing and we will see each other again some day.

“ I remember meeting Kim in 4th grade at Parkway. I was the new kid and she was so kind. She had a wonderful sense of humor. I'm sad to hear the past few years seemed full of challenges and pain. May her soul Rest In Peace.
