“ *Words cannot express the sadness that we feel at the loss of Korey.
My husband Rob was Scotts bestfriend. We have shared many
wonderful times with Korey, Kyler, Kaden, Scott and Holly and we
will treasure those memories forever. Scott, Holly and the boys and
Rob and I and our girls would spend weekends together during the
summer and go to the lake, and just had so much fun. Scott, Rob
and the 5 kids would pitch a tent in the backyard and sleep outside.
Korey was so sweet, so happy and just full of life, and that is how
we will always remember him. Our condolences go out to everyone
who had the honor of knowing this wonderful little boy. We will never
forget you sweet angel.*

“Korey will be forever missed. Our daughter Kaylee disappeared one day after school and was located several blocks from our house at Mr.K's house. When we asked her why she took off and scared her parents so badly, she replied "I wanted to visit Mr. K and the boys". She thought of them that much. Rest in peace little angel!

“Kory was my Nephew. He had such a contagious smile, just like his Dad Scott. He loved to play video games, fishing, baseball and Football with his dad and brothers. He will be forever missed but never forgotten. We love you Kory.

“Korey was the youngest of the 3 boys of Holly and Scott Kolves. He loved fishing with his father and his brothers. Scott and Korey were very close as he was with all his sons and we think that Scott gave his own life trying to save his son. May this child be blessed and know that he and his father have everlasting life with the Lord.
