

Larry Lee Bunney

December 2, 1953 - March 9, 2012

Larry Lee Bunney, 58 years old of Ephrata, WA., died at Columbia Basin Hospital on Friday, March 9, 2012. Larry is survived by his wife Sally of Ephrata, his sons: Larry (Jackie) Bunney Jr., Ernest (Chamonix) Bunney, Tony (Jennifer) Bunney and daughter Krista Bunney all of Ephrata, WA. He loved cars and was a bass player of country music. Viewing will be held Thursday, March 15 and Friday, March 16, 2012 from 8am to 12pm and 1pm to 4pm. Services for Larry will be held later in the spring. Please share your thoughts and memories for the family and view the online tribute video at nicolesfuneralhome.com. Arrangements are under the direction of Nicoles Funeral Home of Ephrata.

“ I wasn't told when Larry Bunney past and wasn't given the chance years ago to say goodbye to him. He always had my car running, I would go to lunch and my car would be gone.....Bunney and Carl Estell maintained it for me, I never paid for an part or anything. Bunney will always be in my heart

“ I was involved with Larry’s hiring in 1982. Carl Estell hired Larry to build a Vehicle Maintenance department at Tramco in their first hangar at Paine Field. Larry was given basically a one car garage in the corner of Hangar 2 to fix and maintain all our trucks, lifts, generators, work stands, tow tractors, a bus, aircraft jacks, aircraft heaters, and the Bosses fleet of personal vehicles. For a time he worked alone, then he finally started to get some helpers. In 1986 Tramco completed an addition to it’s South Complex Office/Warehouse/Shop building with a dedicated six bay Vehicle Maintenance department plus a real office for Larry! Larry continued to grow his department as Tramco added hundreds of pieces of equipment. Larry also was responsible for developing a routine maintenance program to try and stay ahead of the breakdowns. As the business grew by leaps and bounds, a third hangar was built (Opened November 1993) that incorporated a larger facility for the Ground Support portion of the Vehicle Maintenance department. Larry now employed nearly a dozen employees working two shifts, 7 days a week. Larry worked hard for the next 9 years to support as many as 2600 employees throughout five separate facilities and thousands of pieces of equipment. Without Larry’s hard work and years of dedication, ATS would not have become the world class business it is today.

Then in August of 2002 Larry was ready to move to eastern Washington.

Thanks for all your help, Larry, until we meet again!!

“ I was on Larry face book page to see if he posted anything from his Hawaii trip when a mutual friend called me and told me that Larry had passed. I had the pleasure of working with Larry for 20 plus years and formed a good friendship with Larry. When Larry departed Tramco, Goodrich, ATS I was later moved into the ground support shop and today I struggle to fill his position. Larry was very knowable in all the equipment we service here at ATS. I will miss Larry and I'm sad for his family loss.

“ Oh my Larry Bunney.....the man who kept my car on the road all those years at Tramco. You would come up to the office when you needed money for a part for one of Crocketts/Tramco vehicles, and just stand in front of me and giggle until I would look up and ask you what you wanted, you were so shy and I would tease you until you would turn red.

I am so sorry you have left us, it is way to soon. You will be missed. God bless you and your family.

*Rest in complete peace and love.
