“ Loves his wise teachings, but was always frustrated with the answer, "I'll tell you about it someday" thankfully a few years ago I hit him up for those "someday" answers. I got some answers but wouldn't you know it....I got more of the I'll tell you about it someday, Lol! Of course I just looked at him with a crooked smile and said, mmmhm, but Dad," those Somedays take forever to get here, humph! And then I gave him my best pouty look, which he just chuckled at. ...well Dad, someday I'm gonna see you again and that helps...
