

Loren Joseph "JJ" Bevier

January 8, 1957 - November 15, 2024

Loren Joseph "JJ" Bevier went on to be with his Lord and Savior on November 15, 2024, surrounded by his family after succumbing to his battle with cancer.

JJ was born in Omak, Washington in 1957 to Rudolph "Rudy" Ludwig Zachman and Lorna Jean Bear. After Rudy passed away in a farming accident when JJ was only 1, his mother married Leo Bevier who adopted JJ. JJ joined the National Guard during his senior year at Tonasket High School, where he served for six years. JJ worked in the construction industry for Tommer Construction and Grant County Public Works, a profession which he thoroughly enjoyed.

JJ's primary love was his family. JJ met the love of his life, Brenda Lea Bevier (Phillips), in Omak, Washington in 1978. JJ and Brenda moved to Ephrata, Washington in 1986, a place which they would call home. JJ's happy place was anywhere his family and loved ones were present. JJ was also a devoted member of the Church of Christ in Ephrata, Washington. JJ's devotion, loyalty, and caring nature left an impact on all those who knew him, whether it be professional interaction or casual times with family and friends around the fire pit or barbecue.

JJ is preceded to heaven by his mother, father, stepfather, brother Johnnie Lee, and sisters Molly Ann, Bernadette and Mary Elizabeth. JJ is survived by

his wife of 45 years, Brenda Bevier (Phillips); his two children, Trevor Bevier and Jamie Mullenix (Bevier); his grandchildren, Rip Bevier, Daisy Coleman, Annabelle Coleman, and Josie Mullenix; brother Thomas Fredric "Fred" Bevier; sisters Byrl Lynn Hammons, Teresa Dawn Bibler, Ruth Ann Fenison, and Christina Carol "Chrissy" Bevier, as well as many, many cousins, nieces, nephews, grandnieces and grandnephews.

A short graveside ceremony will be held on November 22, 2024, at 1pm at the Ephrata Cemetery.

“ I am one of Joe's sister. Byrl. I remember we had a Black Bull that for some reason liked to pick on Joe. His name was Peanut. One day we were out turning bales and Joe didn't see Peanut coming and Joe turned around about the time the bull got right up behind him. Which made him trip over a bale so here's Joe laying on his back with the bull looking him right in the eyes. Then the bull smells him and walks off. Joe laid there and made sure the bull was gone. All the bull wanted was to see what he was doing. It was a funny sight to see. I am going to miss him. Sending love and prayers.
