“ Paul, Carrie & Paul jr we are sending thoughts and prayers to you. So sorry Lynette had such a battle...with cancer. Some of our memories....We remember seeing a grey 88 go by our house..& finally found where it lived. I remember walking very early (before work for both of us) with Lynette...I remember y'all bringing my parents' dining room table to us(in your motorhome..I'm sure it was a real pain) from California. I also remember walking Nikki everyday when Paul was in Spokane in the hospital. There were many snowmobile & GoldWing trips, too. Lynette is now at peace and has no pain. Remember all the great times you all had with her. Ronnie & Peggy Lopez

“ I'm so sorry for your loss. She was lucky to have a loving and supporting family. I didn't know Lynette very well. I had really met her when you were in the hospital Paul and that is when I lost Don. You were both in the hospital at the same time. Only different hospitals. Then our paths crossed again when I was up having chemotherapy treatments. I had lost my hair and she made me a cap to wear. I was so surprised and pleased that she would do something like that for me. Since the Chemo nearly killed me I didn't run into but a couple of times because after the third treatment they had to stop. From what I know of her she was a very nice person. I wish I had gotten to know her better. Sending my love and prayers to the family.

“ So sad about Lynette's passing. She sure put up a good fight and know she would have stayed a lot longer if she could have. We remember all the days at Pepsi Cola, all the boating fun with the Moses Lake Yacht Club. R.I.P. Lynette. We will think of you often.

“ Carrie, I'm so sorry to hear your Mom has passed. I have such wonderful memories of being at your house in Cascade Valley and of being out on your parent's boat with all of you. You are a wonderful daughter and sister! And I'll bet your Mom and Cally are enjoying a great visit in Heaven. I'm thinking of you, your Dad, your brother, and your nieces and nephews. God bless you all with peace and comfort.

“ For Paul, Carrie, & All of Lynette's Family,

All of us here at Columbia Basin Cancer Foundation were so very sorry to hear that Lynette has passed away.....she fought her battle with so much courage & determination! Cancer is such a dreadful disease, and I hope that it is some comfort to you that Lynette is at peace now, and doesn't have to struggle or suffer anymore. I know you will miss her very much.....we are keeping you in our thoughts & prayers!
