

Marilyn E. Marthini

December 25, 1937 - July 11, 2014

Marilyn E. Marthini, 76, of Soap Lake, Wa left us unexpectedly Friday, July 11, 2014. We were not ready for her to leave us, but she must have been needed in Heaven. Marilyn grew up in Bridgeport and Electric City. She married her sweetheart from school and was blessed with 4 children. Although she parted ways after 29 years of marriage, she never stopped loving and caring for her children, grandchildren, nieces, and nephews. Marilyn loved music and could play the piano. Her favorites were gospel and country. She volunteered at music benefits and made many friends in the Tri-Cities. She loved her children and exposed them to scouting, hunting, camping, fishing, 4-H, and dirt bike racing. What ever they wanted to experience she supported and encouraged them. Marilyn was a Practical Nurse for while when the children were young, and when her husband started a construction business she helped with the bookkeeping, running for parts, and even flagging on jobs when needed. Marilyn would give and give and wa a friend to everyone. When friends and family were having hard times, they never lacked for groceries or Christmas presents when Aunt Marilyn found out. She loved making baby quilts and books, and actually gave many away to her nurses at the hospital when she was gravelly ill in 2010. Marilyn could can foods, her pickles and peaches were the best. She enjoyed sewing and crocheting. Marilyn is preceded in death by her sons; Thomas Jr. and Christopher. Also, her parents, brother, and sister. She will be missed terribly. There will be no services at her request.

“ One cold winter when Pop had not had much work and Christmas was coming one of god's angels learned my family didn't have much for Christmas so she gathered her resources and found wonderful gifts for each of the children in my big family, it was around 1965 I was 6 and I will never forget what a wonderful and giving soul lived in my Aunt Marilyn. I am grateful for the times I was able to spend with her. I am very grateful I had the opportunity to tell her how important she had been in my life. Thank you Aunty for the gift of caring, you are loved and missed.

“ Mom, I'm sorry I didn't take better care of you. I'm selfish, I needed you for another 10 or 20 years. I guess you missed Chris and Tommy, and the rest of your family more than we knew.
