“ I met Margie when we were in 5th grade in Coeur d'Alene. We did some crazy things back then! It was during the Beatles invasion so of course she was John and I was Paul. We set up microphones and sang with their music. She was also there when I locked my baby sister in the closet! I will never forget the fun times we had then. We have kept in touch all these years. I will miss her. To Flannery, Dean, Bev, June, and the rest of the Edwards family -- may God wrap his loving arms around you and give you comfort and peace.

“ I got to know Marge when she began subbing for the Ephrata High School. She always had a smile on her face and was willing to help out wherever we were needing her. She shared some of where she taught in the past and knowing that bit of her life I understood her love to be with the students.....she understood them so well. I was shocked to hear of her passing..... I will miss the interaction we had when she would sign in in the mornings. My condolences to the family.
