I remember Mary Ann only from when I was a little girl...but I know all the stories my parents have related to me. Prayers for all of the family!!!

“ Mary Ann was such a a great help with family genealogy. She had many stories about my grandmother and other family members. May the family find comfort in the memories she created.

I was so sorry to hear my Mom- inlaw Maryanne passing . She was a very nice mom although I only met her thrice in her very own home with my husband Darrell before he passed away ,since I have not met all of her family in person but at least she showed me all the photographs and album of all the family circles . She is very sweet with a smiling face and had talked about all of her life and family . My thoughts and prayers to all the family. Eternal rest frant unto her and let perpetual light shine upon her . Miss you so much . Daisy Bolyard
