“ *What a heartbreak to lose such an incredible guy. Mike Kier was a friend to many. A dear friend. I can't imagine how many lives he touched during his years here; he was that kind of man. Always a helping hand. Always an entertaining tale, told with impeccable timing and wit. Always unassuming and unobtrusive. He gave pause before he spoke, thinking about what he'd say before he said it. The result guaranteed smiles and laughter. He was a gem of a man. What a loss.*

“ *Sporting events in Soap Lake will not be the same this year.. We have lost one of our biggest fans. We use to see Mike at the games and didn't know him at the time but through the golf course we got the privilege to meet him and we became great friends. Here is a fantastic man who would go watch the local sports teams even though he had no kids playing. And if the games were away or he just couldn't make one he would always find us and ask how our kids did and how the team did. Not only did we lose one of our biggest fans, we lost one great and caring friend. We spent a lot of time with Mike at the golf course. He always had a smile on his face and a great experience or story to share. I can say one thing...Mike lived and that is important! We are going to miss those amazing stories more than anyone will ever know. Such knowledge he had. Another wonderful thing about Mike is that he would help anybody who needed anything..so giving so caring. There are just not enough words to describe how wonderful he really was. We will all be golfing with heavy hearts(golf may not mean much to some who read this but those of us who golf, will truly understand why I said that)We will never forget you Mike. You have left so many great memories in our hearts Mike. You may be gone but never forgotten. This shot of tequila is for you our friend....Cheers to you Mike.Until we meet again on the tee-box....Hit em long and straight up there! miss ya lots already*

“ *Very sad to hear Mike passed. When I was a little kid and we played in Little League in White Center, Mike was a center piece for the team a lefty pitcher. I always looked up to him. I was blessed to have played with him as a teammate on Guarantee National Bank, Babe Ruth team. Mike taught me how to water ski at Lake Meridian. As with my dearest brother Denny, we will miss him. I will be in Soap Lake next week.*

“ *Mike Kier was a wonderful baseball coach, good influence on the boys in his care. Mike also included our son, Matt, on many fun family outings. The Henderson family will always remember Mike with a special fondness.*
