“ Mike,
As a employee of yours for 14 years and as a friend to my family and I, you will truly be missed and we are shocked and saddened for Deb and family. I will always remember our talks and your guidance ,not just in the business but about everything else life has thrown at us. We truly feel a loss of a family member. But I know we will all see you again someday,just make sure my bike is warmed up and ready to go.
Open roads Mikey.

“ Mike, for 25 years you were a part of our family, Christmas was always the best when we all got together. I'm struggling with the fact you are gone. I know you are in a better place though. On Saturday family and friends will gather in your honor to show their love for you. RIP Mike, you'll be greatly missed.

“ We were taken back when we heard about Mike, we send our thoughts and prayers to all of you. It was always great getting my car "Murphy" serviced, Mike always teased me about naming the car, but he always remembered the name of the car and ALWAYS took time just to chat even if there were other customers. Mike you will be missed & God bless your family.

“ Was shocked to see obit in Grant County Journal!! As I am sure others were. I liked mike and I enjoyed and trusted the service received at their business. One time my son was visiting from Utah and asked if there was a lube service place I liked and I said you bet. One that checks the vehicle over for what may need attn. But I enjoyed it even more if I could catch them when perhaps not too busy and I could jaw for a moment before leaving.... cause he was a nice guy to jaw with..
Will be missed.... in service and as a person..
