“ When I think of him and his family it makes me smile. They were the best people I grew up with. And I remember him breaking his leg to. He was part of our city block crew. And I know we will hook up again.

“ I'm so sorry to hear that my old friend has passed! Even tho we didn't stay in touch we knew we were always friends. I'll never forget him or his mom and dad. One memory I have of him and there are many is when we were playing football in his front yard and Mike got tackled and broke his leg. Next time we see him he's in a hospital bed at home with a cast on that went from his chest to his toes. He looked miserable. My thoughts are with his family. Rest In Peace my friend!

“ Deepest condolences to Mary Lou all of Mike's family. We knew Mike thru NAPA and also car shows. Mike was always friendly and personable and easy to talk with. Always appreciated the few times we got to set up next-door to Mike at the car shows.

“ Mike's quest to learn and fill his heart with God was a special gift. Lots of memories of him in Bible study and wanting to learn as much as he could. He had a heart of gold. Prayers to his family.
