

Mya Kay Avila

July 14, 2004 - April 15, 2023

With deepest sorrow, we announce that Mya Kay Avila, 18, of Ephrata WA. was taken from us on April 15th, 2023, in a tragic car accident.

Mya was born on July 14th, 2004, in Moses Lake WA., daughter to Cristobal and Mallory Avila and the oldest of 4 siblings.

Mya was a beautiful loving and compassionate young lady who loved to be silly. She had the most beautiful smile and contagious laugh that could light up your soul. She wanted nothing more than to be loved and to make people feel wanted, even if she was struggling herself. Mya was funny, outgoing, and vivacious, but she was also introverted and introspective. Mya graduated from Soap Lake Highschool in June of 2022, where she played and had a love for Softball and Basketball. Mya had a long, beautiful life she was planning for, and she will be deeply missed by all who knew and loved her.

When you think of Mya, celebrate the good memories you have of her.

Remember that life is fragile and short and should be lived to the fullest full of love and compassion.

She leaves behind her parents Cris and Mallory, sister Aliya, brothers Aiden and Isaac, her grandparents, and many loving and caring aunts, uncles, cousins, and friends.

A Celebration of life will be held at 11am on Saturday April 29th at the Bethlehem Chapel ~ Assembly of God, located at 612 3rd Ave. SE in Ephrata, WA. The ceremony is followed by a potluck dinner at the St. Rose Catholic School gym, which is located across the street at 520 Nat Washington Way

Ephrata, WA.

In lieu of flowers, the family is asking that anyone who would like to attend the potluck dinner to please bring your favorite dish, desert, or drink to share with all. Everyone is welcome.

Nicoles Funeral Home and Valley View Memorial Park - April 26, 2023 at 05:37 PM

I loved seeing how strong and beautiful Mya grew up to be. I remember her as a sweet 7 year old so those were my favorite pictures. The one on the rock sitting so comfortable being herself. So tragic to lose Mya. My prayers are with you all.
