“ We use to go to Sun Lakes with your mom and aunts when we were dating in middle school and high school. Camped there one time. We would barbeque with your family. I remember when you were wrestling for Ephrata and you would have tournaments. My dad came to one once. We were homecoming royalty our freshman year of high school. It was basically perfect! I felt like the luckiest person in the world. You were my everything. Now I have Victoria...she is my everything...and I wouldn't have her without you.
