Thank you so much for notifying me about your grandma's passing. She was my friend for 60 years. Her mom, Rose, taught us how to make spahetti one night when I spent the night in a big feather bed at their house and her dad, Axel, taught us to say "Did you go to school today" in Swedish. We used to sit in the livingroom and help Rose quilt. She had a huge quilt frame that filled that room! Pat and I kept a big notebook of special movie stars we liked when we were 11 and 14. I know you will miss her very much. Love to all, Barb Barber
