“ My heart and prayers go out to the Rohweder family in their time of loss. I was Penny’s boss for several years at the school district and she was absolutely wonderful to work with, a very kind hearted soul. I feel blessed to have been a part of her life.

“ Penny came into this world like a bright ray of sunshine and spent her life brightening the lives of everyone she met. I'll never forget the delicious "cowboy" cookies she made for me when she was a child and just learning to bake. Many times over the years I tried duplicating them but never came close to her delicious cookies. Giving away her yummy creations became a love language for her and we all benefitted and appreciated her gifts. Years later we were delighted that she had met and married Paul, a wonderful man who happened to be a baker. A match made in Heaven, for sure!

Well, even Heaven is brighter today since she arrived!!!
