“ *My thoughts and prayers go out to Phyllis's children and family.*

I met Phyllis in the early 80s and in 1988 she married my uncle Robin and became my Aunt Phyllis Schutt. They moved to St Regis Montana and for three decades or so she was a part of our North Idaho/Montana family and was dearly loved by all of us. She was a step-mother to my cousins Sterling and Wade Schutt; Sterling passed away in 2004. She and my wife, Mari, were good friends through the years and shared a similar interest in antiques. You are missed and loved by your family here, rest in peace my dear.

One of my fondest memories of Phyllis, was her extensive doll collection. Many years ago when my now daughter, age 34, was about 8 years old, we were visiting our ID family. Phyllis and Robin invited us to stay at their home and my daughter and I shared the most doll filled bedroom. My daughter could not sleep all night because she felt like people were watching her! It made a good story at breakfast. Phyllis was always kind and accepting to me and my family. We shared a strong faith in God and had good talks. I miss her! Lisa Smith

Phyllis became my Aunt Phyllis close to 35 years ago. We were part of her Idaho family. We all loved having them closer once they moved to St Regis, MT. Phyllis was hard working, loving and precious to us all. She always came bearing baked goods or a yummy dish and of course a good hug. Her love for dolls...and cats made her even more precious. We miss you dearly Aunt Phyllis! ~Missy
