“ In 1999 I became a part of the Moyser family and since then Rick has called me miss Barstool. I will keep that close to my heart. I loved hearing all his fun stories. He always made everyone laugh with happiness. He was a great person, husband and father. He took me on as an adopted daughter. I am so very honored to be apart of this great family. You will be remembered. Moyser family you are all in my heart. I'm so sorry for your loss.

I have known Ricky for a very long time. We both have been here for a long time. There have been many stories and interactions, and a lot of laughs and yes I have seen him cry some. The day I got a stuffed animal in my store that played the song You are my Sunshine, he cried. He said he sang that to Charity when she was little. That is the day I realized there was several levels to Mr. Ricky Rocket. RIP Ricky Rocket. Wear that cape. Love and miss you dude.
